

Students intending to enroll in AC 299r should **download and fill out the [AC 299r Special Topics Course Description Form](#)**. The completed form should be returned to the Office of Master's and Professional Programs (mastersprograms@seas.harvard.edu).

After submission, request permission to enroll in AC 299r in my.harvard. There is no need to enter anything into the my.harvard petition; permission will be granted after your completed form has been processed, usually 1-2 business days.

Be sure to complete the above tasks with enough time for your enrollment request to be approved, and for you to return to my.harvard to complete the enrollment process, by the [deadlines set by the FAS Office of the Registrar](#).
