

CA office hours are 7:30-9:15pm on Tuesday nights and 3:30-5:30pm Wednesday afternoons in the Kirkland house dining hall.

Lecture notes on the mathematical happenings in class can be found in the file [lecture\\_notes.pdf](#); note that this is not an official account of the material, but rather my best effort as a CA to write down what we do.

Link to questionnaire for final review topics:
