

The final exam will be available starting at 2 PM Eastern on Wednesday, May 12. You must complete, scan, and upload the quiz before 2 PM (Eastern) on Thursday, May 13. Here is a [blank exam](#) that explains the rules and format. It includes a page of excerpts from the Executive Summaries that will also appear on the real quiz.

Here is the [syllabus](#) for 2021.

Here is a [detailed outline](#) describing the course.

All course materials, including the first few lecture videos, are available via the Modules tab. If you want to get a headstart, watch Kate Penner's lecture preview videos for the first few weeks.

[Slack](#) workspace for discussions between students and TA's: Join [here](#)

[Prooflogger](#) to track proofs that you have presented to a qualified proof listener.
