

# Fall 2024 Math 21a Syllabus (updated)

**Please read: August 29th is a big deadline day for this class! Submit section preferences by August 29 at 11:59pm! (Details below)**

## **First Years Enrolling in Math 21a**

If you are considering taking Math 21a, please consult the course syllabus. Just so you know, some specific dates and course policies in the syllabus are tentative at this time.

If you decide to take Math 21a, here are things you need to do:

1. [Submit your section time](#) between August 19 and August 29th (by 5:00 pm Eastern time). If your time preferences change, just submit the form again; only your latest submission will be used. Possible section times are MWF 9 - 10:15 am, 10:30 - 11:45, 12 - 1:15, 1:30 - 2:45, and 3 - 4:15 (with sufficient enrollment).
2. [Officially enroll in the course](#) through my.harvard between August 19th and August 29th.
3. Plan to regularly check this site in the weeks and months ahead, as more information will be regularly added as we get closer to the spring semester.

## **Returning Students Enrolling in Math 21a**

If you are considering taking Math 21a, please consult the course syllabus. Just so you know, some specific dates and course policies in the syllabus are tentative at this time.

If you decide to take Math 21a, here are things you need to do:

1. Our initial round of sectioning has passed, but you can still join the course. **If you haven't yet sectioned for Math 21a or need to change your section time, please use this [form](#).**
2. [Officially enroll in the course](#) through my.harvard between August 19th and August 29th.
3. Plan to regularly check this site in the weeks and months ahead, as more information will be regularly added as we get closer to the spring semester.
